NOTICE OF VIOLATION

Released: July 17, 2014

By the District Director, Los Angeles Office, Western Region, Enforcement Bureau:

1. This is a Notice of Violation (Notice) issued pursuant to Section 1.89 of the Commission's rules (Rules)¹ to KLSQ-AM License Corp. (KLSQ-AM), registrant of antenna structure number 1219881 in Henderson, Nevada. Pursuant to Section 1.89(a) of the Rules, issuance of this Notice does not preclude the Enforcement Bureau from further action if warranted, including issuing a Notice of Apparent Liability for Forfeiture for the violation noted herein.²

2. On May 20 and 21, 2014, an agent of the Enforcement Bureau's Los Angeles Office inspected antenna structure number 1219881 located in Henderson, Nevada, which is part of a three-tower AM broadcast antenna array, and observed the following violations:

- a. 47 C.F.R. § 17.51(b): "All high intensity and medium intensity obstruction lighting shall be exhibited continuously unless otherwise specified." During the inspections, the agent observed no flashing obstruction lighting on the antenna structure during the daytime hours.
- b. 47 C.F.R. § 17.48(a): "The owner of any antenna structure which is registered with the Commission and has been assigned lighting specifications referenced in this part shall report immediately by telephone or telegraph to the nearest Flight Service Station or office of the Federal Aviation Administration any observed or otherwise known extinguishment or improper functioning of any top steady burning light or any flashing obstruction light, regardless of its position on the antenna structure, not corrected within 30 minutes. Such reports shall set forth the condition of the

light or lights, the circumstances which caused the failure, the probable date for restoration of service, the FCC Antenna Structure Registration Number, the height of the structure (AGL and AMSL if known) and the name, title, address, and telephone number of the person making the report.” At the time the agent reported the antenna tower light outage to the FAA and initiated the issuance of a Notice to Airmen (NOTAM), the FAA advised that there had been no other current light outage reports and/or NOTAM issued for the subject antenna structure for its lighting.

3. Pursuant to Section 403 of the Communications Act of 1934, as amended,³ and Section 1.89 of the Rules, we seek additional information concerning the violations and any remedial actions taken. Therefore, KLSQ-AM must submit a written statement concerning this matter within twenty (20) days of release of this Notice. The response (i) must fully explain each violation, including all relevant surrounding facts and circumstances, (ii) must contain a statement of the specific action(s) taken to correct each violation and preclude recurrence, and (iii) must include a time line for completion of any pending corrective action(s). The response must be complete in itself and must not be abbreviated by reference to other communications or answers to other notices.⁴

4. In accordance with Section 1.16 of the Rules, we direct KLSQ-AM to support its response to this Notice with an affidavit or declaration under penalty of perjury, signed and dated by an authorized officer of KLSQ-AM with personal knowledge of the representations provided in KLSQ-AM’s response, verifying the truth and accuracy of the information therein,⁵ and confirming that all of the information requested by this Notice which is in the regulatee’s possession, custody, control, or knowledge has been produced. To knowingly and willfully make any false statement or conceal any material fact in reply to this Notice is punishable by fine or imprisonment under Title 18 of the U.S. Code.⁶

5. All replies and documentation sent in response to this Notice should be marked with the File No. and NOV No. specified above, and mailed to the following address:
